Read charts carefully to prospect for new
Bottom:

Look for “wiggles” in contour lines

Look for bottom descriptions: Rk (rock),
rky (rocky) , co (coral), h, hrd (hard)
bk, brk (broken), Wd (seaweed), and
grs (grass).

PERSPECTIVE: nobody got sick or hurt, the weather was good, no mechanical problems, no navigational problems, no lost gear, got home ok— this is a good fishing trip! A good day on the water is a fun day with good friends; the rest is frosting!
